PTO1 Rec'd PCT/PT 04 MAR 2005

The following is listed on the accompanying PTO/SB/08 and is in a non-English language:

1. HELMUT, S., "Datenarchivierung mit SAP", Galileo Pres GmbH, Bonn 2002, ISBN 3-89842-212-7 - The relevance of this document is discussed at page 1 of the specification of the present application.

In lieu of a statement of relevance or the translation of the non-English document, enclosed is an English-language international search report from the European Patent Office in the PCT international application, from which this national phase U.S. application is derived, citing this document and setting forth the relevance thereof.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
